The Claremont Colleges are a unique consortium of seven independent institutions including: Pomona College, Claremont McKenna College, Pitzer College, Harvey Mudd College, Scripps College, Keck Graduate Institute and the Claremont Graduate University. Each has its own campus, administration, student body, faculty, trustees, curricular emphasis, and distinctive style and mission. They all, however, share the resources and services of a central coordinating body known as the Claremont University Consortium (CUC). Under the auspices of CUC, 18 Central Programs and Services provide support and services to The Claremont Colleges.

THE DEPARTMENT OF CAMPUS SAFETY

Campus Safety provides a full range of services to The Claremont Colleges community twenty-four hours a day, year `round. The department is located at 251 E. Eleventh and can be reached on campus by dialing extension 72000 from any campus phone, or by calling (909) 621-8170 from any phone not on the campus telephone system.

The Safety Department is staffed by 13 full-time uniformed safety officers, six dispatchers, one crime prevention officer, an administrative services coordinator, and a director. The regular staff is supplemented by twenty-five to forty reserve safety officers who work special assignments, perform crime prevention duties, and carry out a host of support functions for the department.

Safety officers are unarmed and have no special or police powers. Their arrest powers are identical to those of a private person, as provided in the California Penal Code section 837. All full-time officers undergo an intensive eight to twelve-week field training program, and successfully complete and receive certification for the following: guard registration, PR-24 baton, chemical mace, bicycle patrol training, first aid and CPR. Employees undergo continuous education and training to upgrade their skills. Campus Safety is not a police department but is responsible for law enforcement, security, and emergency response at the Colleges. The department also provides support services tailored to meet the needs of the Colleges including, high visibility patrols to prevent and detect crime, investigation of suspicious activity and crime reports, as well as response to: medical emergencies, fire and intrusion alarms, traffic accidents, parking enforcement, and enforcement of college rules and regulations.

Campus Safety works closely and cooperatively with the City of Claremont Police Department. The police are notified immediately and respond to: crimes against persons, violent crimes, major felonies, crimes involving a known or identified suspect, all private persons arrests on campus, and are called when police presence and/or assistance is deemed appropriate. All crime reports initiated by Campus Safety are forwarded to the police for investigation and mandated reporting as required by Uniform Crime Reporting Standards.

CRIME PREVENTION AND SECURITY RECOMMENDATIONS

In recognition of the need for strategies and programs to enhance the safety and security of persons and property campuswide, the department employs a professionally trained crime prevention officer whose main role is to educate members of the college community. The Colleges' crime prevention program is based upon the dual concepts of eliminating or minimizing criminal activities whenever possible, and encouraging students and employees to be responsible for their own security and the security of others. The following is a list of ongoing crime prevention programs and projects:

- Security Alerts: prepared and distributed either selectively or throughout the campuses if circumstances are warranted.
- Campus Watch: a community program designed to increase awareness and encourage immediate reporting of criminal and suspicious activity to Campus Safety.
- Operation Identification: the engraving of serial numbers on personal property and/or recording of items of value, is strongly promoted and available free of charge.
- Crime Prevention Presentations: crime specific workshops presented to students and employees throughout the year.

- Escort Services: available through student-run escort programs and Campus Safety.
- Exterior and Interior Emergency Telephones: linked directly to Campus Safety located throughout the campuses.
- Immediate Emergency Repairs: done on inoperative or malfunctioning exterior doors, as well as individual dorm doors, windows and locks.
- Electronic Alarm Systems: a computerized alarm monitoring system connected directly to Campus Safety monitors a comprehensive network of intrusion and fire alarms campuswide.
- Facility Surveys: checks of exterior lighting, doors, windows, hardware, and grounds are conducted by the crime prevention officer and campus maintenance and facilities staff.

No crime prevention program can be effective without the cooperation, involvement, and personal support of students and employees. Awareness of one's environment and implementation of strategies to reduce or eliminate the opportunity for crime to occur is the best place to start. Within this framework, please use the following suggestions to help safeguard yourself and others:

- Exterior doors should never be propped open. A propped door puts everyone at risk.
- Dorm doors should be locked at all times even when leaving for a short time.
- Keys should be carried at all times and never loaned to others.
- Exercise good judgment when walking, jogging, or engaged in solitary activity, especially at night.
- Request escort service anytime by calling Campus Safety at Ext. 72000 or 621-8170; or, at night, use the student escort service.
- Engrave, mark, and/or photograph your property and record serial numbers and property description.
- Consider not bringing expensive jewelry, valuable property, and important keepsakes to campus.
- Purses, backpacks, and other personal property should not be left unattended or unsecured in office buildings, libraries, and other common use areas.
- Parked cars should be locked at all times and valuables should be concealed.
- Become familiar with the location of emergency phones throughout the campuses and use them if you have an emergency or observe criminal or suspicious activity. Lifting the receiver connects you directly to Campus Safety for help/assistance.
- All crimes and suspicious persons should be reported to Campus Safety immediately. If you are a victim of - or a witness to - a crime, we urge you to call the Safety dispatcher at once, DIAL EXT. 72000 OR 621-8170, OR ACTIVATE AN EMERGENCY PHONE.

It is most helpful to Safety if you can provide your name, telephone number and location as well as the following information on any crime suspect: physical appearance, clothing, height, weight, coloring, approximate age, sex, scars, or other noticeable features (glasses, facial hair, etc.), and whether or not he or she displayed or threatened a weapon. If a vehicle is involved, please note: last direction of travel, license plate number and state, make and model of the vehicle, color and body type, and other identifying marks (rust, dents, etc.).

ALCOHOL AND DRUG POLICY

In accordance with local, state, and federal law, the Colleges have adopted and implemented the following policy to prevent the unlawful possession, use or distribution of illicit drugs and alcohol on college property or as part of its activities:

- a) The use of alcoholic beverages by persons under the age of twenty-one (21) is prohibited.
- b) The sale or furnishing of an alcoholic beverage to anyone under the age of twenty-one (21) is prohibited.
- c) The sale of alcoholic beverages on campus is prohibited.
- d) Advertising of alcoholic beverages is prohibited.
- e) Alcoholic beverages may be served or consumed only at private events limited to members of the college community and their invited guests (all of legal age).
- f) Alcoholic beverages may not be served or consumed in public or at events open to the public.
- g) The possession, use, cultivation, sale, or transfer of illicit drugs is prohibited.
- h) The possession of drug paraphernalia, including pipes, needles, or other contrivances used in the consumption of illicit drugs, is prohibited.

More detailed information about each institution's policies, guidelines, and sanctions may be found in the policy or student conduct section of that college's Student Handbook.

The Claremont Colleges are committed to education and counseling as the primary focus of their substance abuse programs. Students are encouraged to use the counseling and medical services provided on a confidential basis at the Monsour Counseling Center and Baxter Medical Center. Also, the dean of students staff and residential life staff at each of the Colleges serve as advisers and will be able to refer concerned students to appropriate resources.

POMONA COLLEGE is very concerned about the safety and welfare of all students, employees, and guests, and is committed to providing a safe and secure environment. In addition to the services provided by Campus Safety, Pomona College has precautionary measures in place that are intended to enhance the quality of life and to assure the safety and security of the students, staff and faculty.

Pomona College is a residential college, nearly all students live on campus. The Dean of Students is the college officer responsible for residential and campus life issues.

The following are precautionary measures in place for the safety of students, staff and faculty:

- The Dean or professional staff member is on-call at all times, twenty-four hours a day, seven days a week, throughout the academic year. All residence halls are served by live-in Resident Advisers (RAs) who are available and on-call throughout the school year to supervise and help govern residential life.
- All entrances are locked 24 hours. Main entrances are maintained by card key systems. Resident Advisers check residence hall doors to be sure they are locked each night.
- Two residence halls have reception desks that are staffed during the day by paid employees and by Resident Advisers in the evenings. Students' guest(s) must register with the Office of Campus Life. Students are expected to be responsible for their guests at all times.
- Security alerts are distributed campuswide in a timely manner to inform the campus community of crimes or suspected crimes that may threaten the safety of Pomona students and employees.
- Escort services are available through the radio equipped Student Escort Service during the school year and through Campus Safety year round. (Student escort hours are 7:00 p.m. to 1:00 a.m. daily. Campus Safety provides escorts 24 hours daily).
- All non-residential campus buildings are locked nightly by a lock-up person.
- Safety and self-protection classes are offered through the Physical Education Program for academic credit.
- The Whistle Alert Program, designed to encourage students to carry and use whistles if there is danger or an emergency, is ongoing. All new students are issued whistles and returning students are provided them upon request.

WHAT YOU NEED TO KNOW ABOUT SEXUAL ASSAULT (SEXUAL OFFENSE POLICY)

Pomona College expects that every member of the community will adhere to the highest standards of behavior in sexual conduct. Sexual interaction accomplished by force, duress, threat of force, coercion or intimidation or during incapacitation created by drugs or alcohol use will not be tolerated by Pomona College. In addition, when such an act occurs it degrades the victim, our campus community, and society at large. This policy on sexual misconduct is intended to set minimum standards of conduct and to outline behavior that is not acceptable. Victims of any sexual offense are encouraged to seek assistance or discuss the incident with an RA or a dean as soon as possible.

Sexual offenses often result in physical and/or psychological harm. Even if the victim decides not to report the incident to authorities, the victim is urged to seek medical and counseling assistance for potential emotional trauma and the possibility of sexually transmitted diseases and pregnancy. Deans and RAs will assist the victim in examining all options available and in contacting and providing assistance with the appropriate College and community agencies, with her/his consent. Additionally, they will assist in obtaining transportation to the hospital. It is important that the victim not shower, douche or change clothes, in order to preserve evidence as may be necessary to the proof of criminal sexual assault.

The emergency room at Pomona Valley Community Medical Center (located at 1798 N. Garey Avenue, Pomona, (909) 865-9600) is equipped with rape kits for collecting and preserving evidence. It is possible to file a report of rape at the hospital and decide against legal prosecution at a later date. Deans, RAs, and volunteers from Project SISTER are available to accompany and remain with a victim at the hospital while s/he files a report. Campus Safety will also provide/arrange transportation and support, and contact the dean on call after hours.

Victims of sexual assault can file crime reports and/or civil suits while at the same time going through Pomona's judicial system. The dean will assist the victim in notifying the Claremont Police Department, and in changing academic and living arrangements precipitated by the offense if requested by the victim, and, if these changes are reasonably available. Victims should report the incident even if they do not wish to prosecute. **REPORTING THE INCIDENT PROTECTS OTHERS ON CAMPUS.**

SANCTIONS:

Sanctions for violation of the sexual misconduct policy may range from expulsion or suspension from the College to restrictions on campus privileges, required alcohol or drug counseling, conduct probation, community service or other penalties as outlined in the Student Code. The severity of the sanctions will depend upon the extent to which the victim is coerced or manipulated or denied the opportunity to express her or his wishes in a sexual situation, on the degree of obvious intoxication of the victim and on any prior disciplinary history of the respondent. Violations involving the use of force will generally incur the most severe sanctions. Less serious acts of sexual misconduct may, at the request of the victim, be resolved through mediation rather than by the Judiciary Council.

REPORTING SEXUAL MISCONDUCT TO COLLEGE OFFICIALS

Victims of any act of sexual misconduct are encouraged to seek assistance immediately and to discuss the incident with a dean in the Office of Student Affairs or with a Resident Advisor (RA) as soon as possible. Deans and RA's will assist the victim, at the time of the complaint, in examining all the options available and in contacting the appropriate community agencies. The deans will also arrange transportation to the hospital, if the victim wishes.

The deans will assist the victim in changing academic and living arrangements if requested by the victim and if the changes are reasonably available. The victim is urged to seek medical and counseling assistance for potential emotional trauma and the possibility of sexually transmitted diseases and pregnancy.

Victims can file crime reports and/or civil suits while, at the same time, going through Pomona's student judicial system. Victims may also choose informal discussion and/or mediation by one or more of the deans or by an outside mediator instead of filing formal charges to be heard by the Pomona Judiciary Council.

REPORTING RAPE/SEX OFFENSES TO THE LOCAL POLICE

The same act can simultaneously violate the Pomona Student Code and the laws of the state of California. If an individual believes that a sexual interaction constitutes rape or some other felonious sexual offense (which includes forced sodomy, forced oral copulation, or rape by a foreign object) (California Penal Code, section 206), the victim may wish to report the act to the police and bring a criminal or civil prosecution.

If this option is being considered, it is important that the victim not shower, douche or change clothes, in order to preserve evidence that may be necessary to prove criminal sexual assault. The emergency room at Pomona Valley Hospital Medical Center is equipped with rape kits for collecting and preserving evidence. It is possible to file a report of rape at the hospital and decide against legal prosecution at a later date. Deans, RA's, and volunteers from Project Sister are

available to accompany and remain with a victim at the hospital while she or he files a report. Campus Safety will also arrange/provide transportation and support and contact the dean on call.

Victims should report the incident to the deans or the police even if they do not intend to prosecute or bring an action to the Judiciary Council. **REPORTING THE INCIDENT PROTECTS OTHERS ON CAMPUS.**

SEXUAL ASSAULT AWARENESS AND TRAINING

Several programs and strategies are available to promote awareness and prevention of rape and sexual offenses throughout the school year, such as:

- The distribution of a Crime Statistics Brochure to every student which includes sexual assault/rape/date and acquaintance rape prevention strategies.
- New students receive information on sexual assault prevention and complaint procedures at a mandatory session each academic year.
- Open discussions for all students about sexual assault and related issues are held at the Womens' Union during the academic year.
- RAs are trained in the definition, prevention, and campus resolution procedures for sex offenses.
- All students receive the College's Sexual Assault policy and related information in the Student Handbook, which is distributed to each student at the beginning of the fall semester.
- All student Judiciary Council members receive training about issues of sexual misconduct.

The term “public property” means all public property that is within the same reasonable contiguous geographic area of the institution, such as a sidewalk, a street, other thoroughfare, or parking facility, and is adjacent to a facility owned or controlled by the institution if the facility is used by the institution in direct support of, or in a manner related to the institution’s educational purposes.

Statistics for public property comes from the local police department, if available.

SAFETY TIPS

GENERAL SAFETY

- Be aware of your surroundings and any signs that something appears to be wrong or out of place.
- Stay in well lighted areas and walk mid-point between curbs and buildings and away from alleys and bushes when possible.
- At night, work or study only in occupied buildings. Call Campus Safety at Extension 7-2000 for an escort if you are alone.
- Don't carry extra credit cards or large sums of money.
- Lock your valuables securely, even in your room.
- Walk with someone whenever possible. Request an escort when traveling alone at night.
- Do not risk personal injury if someone forcibly attempts to take your wallet, purse or property.
- Do carry a whistle or personal alarm and use it when you feel threatened. The sound won't hurt anybody.
- Keep an inventory of personal property and mark items with your driver's license number and the state. (Borrow an engraver from Campus Safety or through your R.A.)
- Acquaintance Rape happens here. Learn the danger signs. Victims suffer significant life disruption.
- Distance yourself from the misuse of alcohol / drugs, it can be far worse than a bad headache the next morning.
- Do not attach your ID to your key chain or mark your keys with your name and address.
- Get to know your neighbors and share information about suspicious activities.
- Call Safety at ext. 7-2000 in an emergency or to report any crime or suspicious activity.

OFFICE SAFETY

- When working late, make sure doors are locked. Let someone know of your location and expected departure time.
- NEVER prop doors open, even for a short time. Your action could contribute to incredible harm to yourself or someone else.
- Do not loan your office keys or allow them to be copied.
- Do not hold a door open for a stranger.
- Keep your purse, wallet, or other valuables in a locked cabinet or drawer. Office thieves know where to look.

CAR SAFETY

- Auto theft is a problem nationally as well as on these campuses. Take action to safeguard your vehicle.
- Lock all doors after parking.
- Help secure your car against grand theft / burglary - with an electronic alarm and/or kill switch.
- Keep a copy of your registration, title, and vehicle I.D. number in a safe place separate from your vehicle.
- Store your valuables out of sight.
- If you park your car but don't use it regularly, check on it daily.
- Immediately report thefts, as well as suspicious activity in parking lots or near parked cars, to Campus Safety.

BIKE SAFETY

- State law, as well as county and city ordinances and codes mandate adherence to bicycle "Rules of the road" as well as specific equipment guidelines. Learn the laws for your own safety.
- Ride defensively, with the traffic, and use hand signals.
- Please be considerate of pedestrians and drivers in vehicles.
- You can be given a "ticket" for sidewalk driving, speeding, etc. in Claremont.
- Keep your bike maintained - especially the brakes.
- Register your bike and get a California license at Campus Safety. (City Code requirement)
- Use a U-LOCK to secure your bicycle frame and wheels to a rack. Bikes locked with cables and small chains are frequently stolen.
- Report suspicious activity or loitering around bike racks. Thieves usually carry a hidden bolt cutter or other cutting tool.
- Do not impede free use of the handicapped ramps or other access points with bikes locked to handrails, etc.
- NEVER leave your bike unsecured – even for a “moment.”
