This information is provided in compliance with The Crime Awareness and Campus Security Act of 1990 (amended in 1998 and renamed the “Jeanne Clery Disclosure of Campus Safety Policy and Campus Crime Statistics Act”)

SUMMARY OF THE JEANNE CLERY DISCLOSURE OF CAMPUS SECURITY POLICY AND CAMPUS CRIME STATISTICS ACT

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act is a federal law that requires all public and private institutions of postsecondary education participating in federal student aid programs, to disclose certain timely and annual information about campus crime and security policies.

Schools have to publish an annual report every year by October 1st that contains 3 years worth of on/off campus crime statistics. These statistics must be gathered from campus police or security, local law enforcement, and other school officials who have significant responsibility for campus activities. Professional mental health and religious counselors are exempt from reporting requirements. The report must also contain certain policy statements, including Sexual Assault policies - which assure basic victims' rights and outline procedures to be followed in sex offenses; Weapon, Alcohol and Drug Policies.

Crimes are reported in the following 7 major categories:

1. Murder; Negligent and Non-negligent Manslaughter
2. Sex Offenses, including Rapes, Forcible and Non-forcible Sex Offenses
3. Robbery
4. Aggravated Assault
5. Burglary
6. Motor Vehicle Theft
7. Arson

Schools are also required to report the following three types of incidents if they result in either an arrest or disciplinary referral:

1. Liquor Law Violations
2. Drug Law Violations
3. Illegal Weapons Possession

Campus crime statistics must be reported by location: **On campus** (owned, contiguous, educational or student-used); **In Dormitories or other student residences** (within the on-campus area); **Non-campus buildings or property** (frats, non-contiguous owned and student-used); and **Public Property** (streets, sidewalks, lots adjacent to campus).

Schools are also required to provide timely warnings/notices of crimes that pose an on-going threat to students and employees. In addition, a daily log, which records all crimes reported to the campus police or security department must be maintained and open to public inspection during normal business hours. Limited information maybe withheld to protect victim confidentiality.

The annual report is to be made available to all current students and employees while prospective students and employees are to be notified of its existence and afforded an opportunity to request a copy. Schools can comply using the Internet so long as the required recipients are notified and provided the exact Internet address where the report can be found and paper copies are available upon request.

The Campus Sex Crimes Prevention Act (section 1601 of Public Law 106-386) is a federal law enacted on October 28, 2002, that amends the Jeanne Clery Act to require institutions of higher education to issue a statement advising the campus community where law enforcement information provided by a State under section 1407(j) of Title 42, concerning registered sex offenders may be obtained, such as the law enforcement office of the institution, a local law enforcement agency with jurisdiction for the campus, or a computer network address.

In compliance with this law, information about how to obtain sex offender information is included in this report.

The complete text of the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act is available at:

THE CAMPUS SEX CRIMES PREVENTION ACT (SECTION 1601 OF PUBLIC LAW 106-386)

This federal law enacted on October 28, 2002 amends the Jeanne Clery Disclosure Campus Security Policy and Campus Crime Statistics Act to require institutions of higher education to issue a statement, in addition to other disclosures required under that Act, advising the campus community where law enforcement agency information provided by the State concerning registered sex offenders may be obtained. These changes take effect October 28, 2002 and this notice will be a requirement beginning with the annual security report due October 1, 2003.

How to obtain Sex Offender Information

The Claremont Colleges campus community may obtain sex offender information in one of two ways:

1) Calling the Sex Offender Identification Line – this telephone service is for use by the public and organizations to identify serious sex offenders. The cost of calling the **1-900-463-0400 line** is a flat fee of \$10 for information on up to two individuals.

To use the 900 line, you must be at least 18 years of age, and you must know the following about the person you are checking:

- Name of person, AND one of the following:
- An exact address; or
- Exact date of birth; or
- California driver's license, identification or social security number

*Note: if you only know the person's name, you will need to provide a complete description of the person.

2) The Claremont Police Department provides another means to obtain information on California's registered sex offenders via Megan's Law CD-ROM. A CD-ROM, available for public viewing, provides the following information about serious sex offenders: registrants' name; aliases; photograph (if available); sex; physical description, including scars, marks, and tattoos; registered sex offenses; county of residence, and ZIP code (based on last registration).

To view the CD_ROM, you must:

- Be 18 years of age or older;
- Provide a California driver's license or Identification card;
- Sign a statement that you are not a registered sex offender, that you understand the purpose of the release of information is for the public to protect themselves and their children from sex offenders; and that it is illegal to use the information to harass, discriminate or commit a crime against any registrant;
- State a distinct purpose for viewing the CD-ROM, if required by local law enforcement.

For Megan's Law CD-ROM viewing information, please call Claremont Police at (909) 399-5411. Claremont Police Department is located at 570 W. Bonita Ave, in the city of Claremont.

The Claremont Colleges are a unique consortium of seven independent institutions including: Pomona College, Claremont McKenna College, Pitzer College, Harvey Mudd College, Scripps College, Keck Graduate Institute and the Claremont Graduate University. Each has its own campus, administration, student body, faculty, trustees, curricular emphasis, and distinctive style and mission. They all, however, share the resources and services of a central coordinating body known as the Claremont University Consortium (CUC). Under the auspices of CUC, 18 organizations provide support and services to The Claremont Colleges.

The Campus Safety Department is staffed by 13 full-time uniformed Campus Safety officers, six dispatchers, and a director. The regular staff is supplemented by twenty-five to forty reserve Campus Safety officers and part time employees who work special assignments, perform crime prevention duties, and carry out a host of support functions for the department.

Campus Safety officers are unarmed and have no special or police powers. Their arrest powers are identical to those of a private person, as provided in the California Penal Code section 837. All full-time officers undergo an intensive eight to twelve- week field training program, and successfully complete and receive certification for the following: guard registration, PR-24 baton, chemical mace, bicycle patrol training, first aid and CPR. Employees undergo continuous education and training to upgrade their skills. Campus Safety is not a police department but is responsible for law enforcement, security, and emergency response at the Colleges. The department also provides support services tailored to meet the needs of the Colleges including, high visibility patrols to prevent and detect crime, investigation of suspicious activity and crime reports, as well as response to: medical emergencies, fire and intrusion alarms, traffic accidents, parking enforcement, and enforcement of college rules and regulations.

Campus Safety works closely and cooperatively with the City of Claremont Police Department. The police are notified immediately and respond to: crimes against persons, violent crimes, major felonies, crimes involving a known or identified suspect, all private persons arrests on campus, and are called when police presence and/or assistance is deemed appropriate. All crime reports initiated by Campus Safety are forwarded to the police for investigation and mandated reporting as required by Uniform Crime Reporting Standards.

CRIME PREVENTION AND SECURITY RECOMMENDATIONS

Our crime prevention strategies are based upon the dual concepts of eliminating or minimizing criminal activities whenever possible, and encouraging students and employees to be responsible for their own security and the security of others. The following is a list of ongoing crime prevention programs and projects:

- Security Alerts: prepared and distributed either selectively or throughout the campuses if circumstances are warranted
- Campus Watch: a community program designed to increase awareness and encourage immediate reporting of criminal and suspicious activity to Campus Safety.
- Operation Identification: the engraving of serial numbers on personal property and/or recording of items of value, is promoted and available free of charge.
- Crime Prevention Presentations: crime specific workshops presented to students and employees throughout the year.
- Escort Services: available through student-run escort programs and Campus Safety.
- Interior Emergency Telephones: linked directly to Campus Safety located throughout the campuses.
- Immediate Emergency Repairs: done on inoperative or malfunctioning exterior doors, as well as individual dorm doors, windows and locks.
- Electronic Alarm Systems: a computerized alarm monitoring system connected directly to Campus Safety monitors a comprehensive network of intrusion and fire alarms campuswide.
- Facility Surveys: checks of exterior lighting, doors, windows, hardware, and grounds are conducted by Campus Safety and campus maintenance and facilities staff.

No crime prevention program can be effective without the cooperation, involvement, and personal support of students and employees. Awareness of one's environment and implementation of strategies to reduce or eliminate the opportunity for crime to occur is the best place to start. Within this framework, please use the following suggestions to help safeguard yourself and others:

- Exterior doors should never be propped open. A propped door puts everyone at risk.
- Unsupervised doors should be locked at all times even when leaving for a short time.
- Keys should be carried at all times and never loaned to others.
- Exercise good judgment when walking, jogging, or engaged in solitary activity, especially at night.
- Request escort service anytime by calling Campus Safety at Extension 72000 or 621-8170; or, at night, use the student escort service.
- Engrave, mark, and/or photograph your property and record serial numbers and property description.
- Consider not bringing expensive jewelry, valuable property, and important keepsakes to campus.
- Purses, backpacks, and other personal property should not be left unattended or unsecured in office buildings, libraries, and other common use areas.
- Parked cars should be locked at all times and valuables should be concealed.
- All crimes and suspicious persons should be reported to Campus Safety immediately. If you are a victim of - or a witness to - a crime, we urge you to call the Campus Safety dispatcher at once, DIAL EXTENSION 72000 OR 621-8170.

It is most helpful to Campus Safety if you can provide your name, telephone number and location as well as the following information on any crime suspect: physical appearance, clothing, height, weight, coloring, approximate age, sex, scars, or other noticeable features (glasses, facial hair, etc.), and whether or not he or she displayed or threatened a weapon. If a vehicle is involved, please note: last direction of travel, license plate number and state, make and model of the vehicle, color and body type, and other identifying marks (rust, dents, etc.).

Keck Graduate Institute (KGI) is committed to providing a safe and secure environment for all students, employees and visitors. In addition to the services provided by Campus Safety, a number of precautionary measures are in place that are intended to enhance the quality of campus life and to help ensure the safety and security of the community such as:

- Security Alerts are distributed campuswide in a timely manner to inform the community of crimes or suspected crimes which may threaten the safety of KGI students and employees.
- Escorts are provided by Campus Safety personnel year round.
- A special safety/security orientation is provided to new students.

SECURITY CONSIDERATIONS USED IN MAINTENANCE OF CAMPUS FACILITIES

- Regular preventive maintenance and testing is done on all alarm systems.
- Knox (lock) boxes are installed at each campus building, resulting in better key control and improved emergency response.
- Academic and administrative buildings are checked and locked nightly.
- Street lights are inspected regularly. Upgrades or immediate repairs and/or replacements are carried out. Overall, lighting is reviewed annually by representatives of the Dean of Students Office, Campus Facilities and Campus Safety.
- Trees and shrubbery located near buildings and walkways are trimmed on a regular basis.
- Exterior lighting around the campus has been enhanced.
- Bike racks are located on the south side at both the east and west entrance to the 535 Building and the north side of the 517 Building.

KGI SEXUAL ASSAULT POLICY

It is the policy of Keck Graduate Institute to ensure, to the fullest extent possible, that any student, faculty or staff member who is a victim of sexual assault committed on the campus shall receive treatment, support and information; and to encourage victims of sexual assault to make full use of these provisions.

KGI will not tolerate sexual assault, whether directed at males or females or whether committed by a stranger or an acquaintance. KGI has an obligation to address the needs of the sexual assault victim as well as a responsibility to protect the other members of the campus community from potential sexual assaults. Referrals for treatment will be made and on-going support will be offered to victims. To protect the privacy of the victim, confidentiality regarding the name of the victim will be maintained.

KGI will make the KGI community aware of any rapes or other sexual assaults by strangers on campus, and will judge the need for reporting acquaintance rapes to the community on a case-by-case basis. The University is legally obligated to report to the federal government the number of sexual assaults that occur on campus each year. In the case of a stranger rape, the location of the incident will be made known in order to determine if the area itself is hazardous and needs

attention by the Physical Plant Department or increased security patrols. If, for reasons of safety, the campus community is to be notified of the occurrence of the assault, the victim will be informed prior to such notification. Members of the KGI community will be notified of assaults or rapes that occur on other Claremont Colleges campuses if that information is received by the Assistant Director of Student Services or the Director of Human Resources.

The victim or the campus individual first notified should immediately contact the appropriate representative listed below.

John Friesman (or other member of the Student Services Staff)
Director of Student Services
535 Watson, (909) 607-8590

Bonnie Busenberg
Director of Human Resources
535 Watson, (909) 607-7853

WHAT SHOULD YOU DO IF A SEX OFFENSE OCCURS?

MAKE SURE YOU ARE OUT OF DANGER. If you need immediate assistance, call Campus Safety right away at extension 7-2000, or contact the KGI Human Resources Representative at extension 7-7853, or the Student Services Representative at 7-8208. You also have the option of calling the police directly by dialing 9-9-1-1 from a campus phone. Assistance is also available 24 hours a day by calling the local Rape Crisis Hotline at (909) 626-4357.

GET PROPER MEDICAL ATTENTION for physical injuries and sexually transmitted diseases even though you may not think you need it. Do not shower, bathe, douche or brush your teeth. Medical evidence can be collected. Collecting evidence is the victim's choice and does not mean that he/she must pursue criminal charges, it merely leaves the option open. NOTE: The hospital has an obligation to inform the police and the police will interview the victim at the hospital. It is the victim's choice as to whether or not a police report is taken and criminal charges are pursued against the assailant.

There are several treatment options:

- 1) Pomona Valley Community Hospital Medical Center Emergency Room at 1798 North Garey Avenue in Pomona, (909) 865-9600.
- 2) San Antonio Hospital Emergency Room, 999 San Bernardino Road in Upland, (909) 920-4747.
- 3) Planned Parenthood has a health care provider that can test for pregnancy and sexually transmitted diseases, and is located at 1900 Royalty Drive in Pomona, (909) 620-4290.
- 4) The victim can be treated and tested by his/her own health care provider.
- 5) Eligible employees may wish to contact the Employee Assistance Plan (EAP) which is available through the benefits program by calling Psychological Systems at 1 (800) 992-8448 (a clinical coordinator will assist you). The KGI Human Resources Representative can also assist with this option. Psychological counseling for students is available at Monsour Counseling Center at (909) 621-8202.

WHAT KIND OF HELP IS AVAILABLE?

The KGI Human Resources Representative or the KGI Student Services Representative will assist the victim with information, transportation, resources/referrals, and information regarding criminal prosecution, civil prosecution, the KGI disciplinary process and the availability of mediation for the victim and the alleged assailant if they both are college employees and/or students. The Human Resources Representative or the Student Services Representative will provide information about the status/results of any disciplinary hearings connected with the assault and the results of any such actions to the victim, if the alleged assailant is a member of the KGI/College community.

NOTE: If the victim wishes to remain anonymous, the Human Resources Representative or the Student Services Representative will serve as a consultant to the campus individual who is assisting the victim.

Sexual assault, rape and acquaintance rape prevention presentations, workshops and literature are available through Campus Safety (extension 72000).

Other available resources include:

- Project Sister – local rape crisis center & 24 hour crisis hotlines, (909) 626-4357.

More detailed information about each institution's policies, guidelines, and sanctions may be found in the policy or student conduct section of that college's Student Handbook.

The Claremont Colleges are committed to education and counseling as the primary focus of their substance abuse programs. Students are encouraged to use the counseling and medical services provided on a confidential basis at the Monsour Counseling Center and Baxter Medical Center. Also, the dean of students staff and residential life staff at each of the Colleges serve as advisers and will be able to refer concerned students to appropriate resources.

EXPLOSIVES, FIREARMS, and OTHER WEAPONS POLICY

Possession, use or transportation of firearms or “deadly weapons” is prohibited on the property of Keck Graduate Institute. According to the California State Penal Code, Section 626.9 (b), any person who brings or possesses a firearm upon the grounds of, or within, a private institution is guilty of a felony which is punishable by imprisonment in the state prison for one, two or three years. In addition, the use of firearms in Claremont, Los Angeles County, or in the western portion of San Bernardino County is prohibited by law.

The State law, as well as Keck Graduate Institute policy, prohibits bringing firecrackers or explosive materials of any kind onto any part of the campus or into the buildings. This includes combustibles in containers such as gasoline cans.

Illegal knives, switchblades, and other blades which violate California State Law are prohibited. BB guns, pellet rifles, and other weapons which propel projectiles are also prohibited and are not allowed on campus. If necessary, recreational items may be stored at Campus Safety.

Violation of this policy by any member of the community will result in confiscation of the weapon and may result in disciplinary action.

- Acquaintance Rape happens here. Learn the danger signs. Victims suffer significant life disruption.
- Distance yourself from the misuse of alcohol / drugs, it can be far worse than a bad headache the next morning.
- Do not attach your ID to your key chain or mark your keys with your name and address.
- Get to know your neighbors and share information about suspicious activities.
- Call Campus Safety at extension 72000 in an emergency or to report any crime or suspicious activity.

- Do not impede free use of the handicapped ramps or other access points with bikes locked to handrails, etc.
- NEVER leave your bike unsecured – even for a “moment.”
