This information is provided in compliance with The Crime Awareness and Campus Security Act of 1990 (amended in 1998 and renamed the "Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act")

## SUMMARY OF THE JEANNE CLERY DISCLOSURE OF CAMPUS SECURITY POLICY AND CAMPUS CRIME STATISTICS ACT

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act is a federal law that requires all public and private institutions of postsecondary education participating in federal student aid programs, to disclose certain timely and annual information about campus crime and security policies.

Schools must annually publish a report by October 1<sup>st</sup> that contains three years of on/off campus crime statistics. These statistics must be gathered from campus police or security, local law enforcement, and other school officials who have significant responsibility for campus activities. Professional mental health and religious counselors are exempt from reporting requirements. The report must also contain certain policy statements, including Sexual Assault policies - which assure basic victims' rights and outline procedures to be followed in sex offenses; Weapon, Alcohol and Drug Policies.

Crimes are reported in the following seven major categories:

1. Murder; Negligent and Non-negligent Manslaughter
2. Sex Offenses, including Rapes, Forcible and Non-forcible Sex Offenses
3. Robbery
4. Aggravated Assault
5. Burglary
6. Motor Vehicle Theft
7. Arson

We must also disclose, by geographic location and by category of prejudice, any of the aforementioned offenses, and any other crimes involving bodily injury reported to local police agencies or to a campus security authority, that manifests evidence that the victim was intentionally selected because of the perpetrator's bias. These categories of bias are: race, gender, religion, sexual orientation, ethnicity, national origin and disability.

Schools are also required to report the following three types of incidents if they result in either an arrest or disciplinary referral:

1. Liquor Law Violations
2. Drug Law Violations
3. Illegal Weapons Possession

Campus crime statistics must be reported by location: **On campus** (owned, contiguous, educational or student-used); **in dormitories or other student residences** (within the on-campus area); **non-campus buildings or property** (frats, non-contiguous owned and student-used); and **public property** (streets, sidewalks, lots adjacent to campus).

Schools are also required to provide timely warnings/notices of crimes that pose an on-going threat to students and employees. In addition, a daily log, which records all crimes reported to the campus police or security department must be maintained and open to public inspection during normal business hours. Limited information may be withheld to protect victim confidentiality.

The annual report is to be made available to all current students and employees while prospective students and employees are to be notified of its existence and afforded an opportunity to request a copy. Schools can comply using the Internet so long as the required recipients are notified and provided the exact Internet address where the report can be found and paper copies are available upon request.

## **THE CAMPUS SEX CRIMES PREVENTION ACT (SECTION 1061 OF PUBLIC LAW 106-386)**

This federal law enacted on October 28, 2002 amends the Jeanne Clery Disclosure Campus Security Policy and Campus Crime Statistics Act to require institutions of higher education to issue a statement, in addition to other disclosures required under that Act, advising the campus community where law enforcement agency information provided by the State concerning registered sex offenders may be obtained. These changes take effect October 28, 2002 and this notice will be a requirement beginning with the annual security report due October 1, 2003.

### **How to obtain Sex Offender Information**

The Claremont Colleges campus community may obtain sex offender information in one of two ways:

**1) Calling the Sex Offender Identification Line** – this telephone service is for use by the public and organizations to identify serious sex offenders. The cost of calling the **1-900-463-0400 line** is a flat fee of \$10 for information on up to two individuals.

To use the 900 line, you must be at least 18 years of age, and you must know the following about the person you are checking:

- Name of person, AND one of the following:
- An exact address; or
- Exact date of birth; or
- California driver's license, identification or social security number

\*Note: if you only know the person's name, you will need to provide a complete description of the person.

**2) The Claremont Police Department provides another means to obtain information on California's registered sex offenders via Megan's Law CD-ROM.** A CD-ROM, available for public viewing, provides the following information about serious sex offenders: registrants' name; aliases; photograph (if available); sex; physical description, including scars, marks, and tattoos; registered sex offenses; county of residence, and ZIP code (based on last registration).

To view the CD\_ROM, you must:

- Be 18 years of age or older;
- Provide a California driver's license or Identification card;
- Sign a statement that you are not a registered sex offender, that you understand the purpose of the release of information is for the public to protect themselves and their children from sex offenders; and that it is illegal to use the information to harass, discriminate or commit a crime against any registrant;
- State a distinct purpose for viewing the CD-ROM, if required by local law enforcement.

For Megan's Law CD-ROM viewing information, please call Claremont Police at (909) 399-5411. Claremont Police Department is located at 570 W. Bonita Ave, in the city of Claremont.

**3.) A new California Law, Assembly Bill 488, signed by the Governor on September 24, 2004, now provides the public with internet access to detailed information on registered sex offenders. This expanded access allows the public for the first time to use their personal computers to view information on sex offenders required to register with local law enforcement under California's Megan's Law. For internet access to registered sex offender information go to: [www.meganslaw.ca.gov](http://www.meganslaw.ca.gov).**

The Claremont Colleges are a unique consortium of seven independent institutions including: Pomona College, Claremont McKenna College, Pitzer College, Harvey Mudd College, Scripps College, Keck Graduate Institute and the Claremont Graduate University. Under the auspices of CUC, Campus Safety and 17 other organizations provide support and services to The Claremont Colleges.

Campus Safety officers are unarmed and have no special or police powers. Their arrest powers are identical to those of a private person, as provided in the California Penal Code section 837. All crime reports initiated by Campus Safety are forwarded to the police for investigation and mandated reporting as required by Uniform Crime Reporting Standards.

### **CRIME PREVENTION AND SECURITY RECOMMENDATIONS**

Our crime prevention strategies are based upon the dual concepts of eliminating or minimizing criminal activities whenever possible, and encouraging students and employees to be responsible for their own security and the security of others. The following is a list of ongoing crime prevention programs and projects:

- Security Alerts: prepared and distributed either selectively or throughout the campuses if circumstances are warranted.
- Campus Watch: a community program designed to increase awareness and encourage immediate reporting of criminal and suspicious activity to Campus Safety.
- Operation Identification: the engraving of serial numbers on personal property and/or recording of items of value, is promoted and available free of charge.
- Crime Prevention Presentations: crime specific workshops presented to students and employees throughout the year.
- Escort Services: available through student-run escort programs and Campus Safety.
- Exterior and Interior Emergency Telephones: linked directly to Campus Safety located throughout the campuses.
- Immediate Emergency Repairs: done on inoperative or malfunctioning exterior doors, as well as individual dorm doors, windows and locks.
- Electronic Alarm Systems: a computerized alarm monitoring system connected directly to Campus Safety monitors a comprehensive network of intrusion and fire alarms campus wide.
- Facility Surveys: checks of exterior lighting, doors, windows, hardware, and grounds are conducted by Campus Safety, campus maintenance and facilities staff.

No crime prevention program can be effective without the cooperation, involvement, and personal support of students and employees. Awareness of one's environment and implementation of strategies to reduce or eliminate the opportunity for crime to occur is the best place to start. Within this framework, please use the following suggestions to help safeguard yourself and others:

- Exterior doors should never be propped open. A propped door puts everyone at risk.
- Dorm doors should be locked at all times even when leaving for a short time.
- Keys should be carried at all times and never loaned to others.
- Exercise good judgment when walking, jogging, or engaged in solitary activity, especially at night.
- Request escort service anytime by calling Campus Safety at extension 72000 or 621-8170; or, at night, use the student escort service.
- Engrave, mark, and/or photograph your property and record serial numbers and property description.
- Consider not bringing expensive jewelry, valuable property, and important keepsakes to campus.
- Purses, backpacks, and other personal property should not be left unattended or unsecured in office buildings, libraries, and other common use areas.
- Parked cars should be locked at all times and valuables should be concealed.
- Become familiar with the location of emergency phones throughout the campuses and use them if you have an emergency or observe criminal or suspicious activity.
- All crimes and suspicious persons should be reported to Campus Safety immediately. If you are a victim of - or a witness to - a crime, we urge you to call the Campus Safety dispatcher at once, DIAL EXTENSION 72000 OR (909) 621-8170, OR ACTIVATE AN EMERGENCY PHONE.

It is most helpful to Campus Safety if you can provide your name, telephone number and location as well as the following information on any crime suspect: physical appearance, clothing, height, weight, coloring, approximate age, sex, scars, or other noticeable features (glasses, facial hair, etc.), and whether or not he or she displayed or threatened a weapon. If a vehicle is involved, please note: last direction of travel, license plate number and state, make and model of the vehicle, color and body type, and other identifying marks (rust, dents, etc.).

## **ALCOHOL AND DRUG POLICY**

In accordance with local, state, and federal law, the Colleges have adopted and implemented the following policy to prevent the unlawful possession, use or distribution of illicit drugs and alcohol on college property or as part of its activities:

- g) The possession, use, cultivation, sale, or transfer of illicit drugs is prohibited.
- h) The possession of drug paraphernalia, including pipes, needles, or other contrivances used in the consumption of illicit drugs, is prohibited.

More detailed information about each institution's policies, guidelines, and sanctions may be found in the policy or student conduct section of that college's Student Handbook.

This includes combustibles in containers such as gasoline cans. Furthermore, gasoline-powered scooters and motorcycles cannot be stored in individual rooms or elsewhere in residence halls at any time. Vehicles found to be stored in unauthorized areas will be towed and stored at the owner's expense.

Illegal knives, switchblades, and other blades which violate California State Law are prohibited.

## **WHAT YOU NEED TO KNOW ABOUT SEXUAL ASSAULT/OFFENSES**

It is the policy of Claremont University Consortium (CUC) to ensure, to the fullest extent possible, that any employee who is a victim of sexual assault/offense committed on the campus shall receive treatment, support and information; and to encourage victims of sexual assault/offense to make the full use of these provisions.

CUC will not tolerate sexual assault/offense, whether directed at males or females or whether committed by a stranger or an acquaintance. We have an obligation to address the needs of the sexual assault victim as well as a responsibility to protect the other members of the campus community from potential sexual assaults/offenses. Referrals for treatment will be made and ongoing support will be offered to victims. To protect the privacy of the victim, confidentiality regarding the name of the victim will be maintained.

CUC will make the college community aware of rapes or other sexual assaults/offenses by strangers on campus, and will judge the need of reporting acquaintance rapes to the community on a case-by-case basis. In the case of a stranger rape, the location of the incident will be made known in order to determine if the area itself is hazardous and needs attention by Central Facilities Services or increased security patrols. If, for reasons of safety, the campus community is to be notified of the occurrence of the assault, the victim will be informed prior to such notification.

## **WHAT SHOULD YOU DO IF A SEX OFFENSE OCCURS?**

**MAKE SURE YOU ARE OUT OF DANGER.** If you need immediate assistance, call Campus Safety right away at extension 72000, or contact the CUC Human Resources Representative at extension 71834. You also have the option of calling the police directly by dialing 9-9-1-1 from a campus phone. Assistance is also available 24 hours a day by calling the local Rape Crisis Hotline at (909) 626-4357.

**GET PROPER MEDICAL ATTENTION** for physical injuries and sexually transmitted diseases even though you may not think you need it. Do not shower, bathe, douche or brush your teeth. Medical evidence can be collected. Collecting evidence is the victim's choice and does not mean that he/she must pursue criminal charges; it merely leaves the option open. NOTE: The hospital has an obligation to inform the police and the police will interview the victim at the hospital. It is the victim's choice as to whether or not a police report is taken and criminal charges are pursued against the assailant. There are several treatment options:

- 1) Pomona Valley Community Hospital Medical Center Emergency Room at 1798 North Garey Avenue in Pomona, (909) 865-9600.
- 2) San Antonio Hospital Emergency Room, 999 San Bernardino Road in Upland, (909) 920-4747.
- 3) Planned Parenthood has a health care provider that can test for pregnancy and sexually transmitted diseases, and is located at 1550 in Pomona, (909) 620-4268.
- 4) The victim can be treated and tested by his/her own health care provider.
- 5) Eligible employees may wish to contact the Employee Assistance Plan (EAP) which is available through the benefits program by calling Psychological Systems at 1 (800) 992-8448 (a clinical coordinator will assist you). The CUC Human Resources Representative can also assist with this option.

## **WHAT KIND OF HELP IS AVAILABLE?**

The CUC Human Resources Representative will assist the victim with information, transportation, resources/referrals, and information regarding criminal prosecution, civil prosecution, the CUC disciplinary process and the availability of mediation for the victim and the alleged assailant if they both are college employees and/or students. The Human Resources Representative will provide information about the status/results of any disciplinary hearings connected with the assault and the results of any such actions to the victim, if the alleged perpetrator is a member of the CUC community.

NOTE: If the victim wishes to remain anonymous, the Human Resources Representative will serve as a consultant to the campus individual who is assisting the victim.
