## SUMMARY OF THE JEANNE CLERY DISCLOSURE OF CAMPUS SECURITY POLICY AND CAMPUS CRIME STATISTICS ACT

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act is a federal law that requires all public and private institutions of postsecondary education participating in federal student aid programs, to disclose certain timely and annual information about campus crime and security policies.

Schools must annually publish a report by October 1<sup>st</sup> that contains three years of on/off campus crime statistics. These statistics must be gathered from campus police or security, local law enforcement, and other school officials who have significant responsibility for campus activities. Professional mental health and religious counselors are exempt from reporting requirements. The report must also contain certain policy statements, including Sexual Assault policies - which assure basic victims' rights and outline procedures to be followed in Sex Offenses; Weapon, Alcohol and Drug Policies.

***Crimes are reported in the following seven major categories:***

- 1. Murder; Negligent and Non-negligent Manslaughter***
- 2. Sex Offenses, including Rapes, Forcible and Non-forcible Sex Offenses***
- 3. Robbery***
- 4. Aggravated Assault***
- 5. Burglary***
- 6. Motor Vehicle Theft***
- 7. Arson***

We must also disclose, by geographic location and by category of prejudice, any of the aforementioned offenses, and any other crimes involving bodily injury reported to local police agencies or to a campus security authority, that manifests evidence that the victim was intentionally selected because of the perpetrator's bias. These categories of bias are: race, gender, religion, sexual orientation, ethnicity, national origin and disability.

Schools are also required to report the following three types of incidents if they result in either an arrest or disciplinary referral:

1. Liquor Law Violations
2. Drug Law Violations
3. Illegal Weapons Possession

Campus crime statistics must be reported by location: **On campus** (owned, contiguous, educational or student-used); **In Dormitories or other student residences** (within the on-campus area); **Non-campus buildings or property** (frats, non-contiguous owned and student-used); and **Public Property** (streets, sidewalks, lots adjacent to campus).

Schools are also required to provide timely warnings/notices of crimes that pose an on-going threat to students and employees. In addition, a daily log, which records all crimes reported to the campus police or security department must be maintained and open to public inspection during normal business hours. Limited information maybe withheld to protect victim confidentiality.

The annual report is to be made available to all currently enrolled students and all employees by October 1 each year. The report must also be provided to any prospective student or prospective employee upon request. The report must be distributed to all current students and employees by one of the following: directly by publications and mailings; by the US Postal Service; by campus mail; email or a combination of these methods. Posting the Annual Campus Safety Report on an Internet or Intranet Web site is also permissible as long as the required recipients are notified and provided the exact (URL) Internet or Intranet web site at which the report is posted.

The Claremont Colleges are a unique consortium of seven independent institutions including: Pomona College, Claremont McKenna College, Pitzer College, Harvey Mudd College, Scripps College, Keck Graduate Institute and the Claremont Graduate University. Each has its own campus, administration, student body, faculty, trustees, curricular emphasis, and distinctive style and mission. They all, however, share the resources and services of a central coordinating body known as the Claremont University Consortium (CUC). Under the auspices of CUC, Campus Safety and 17 other organizations provide support and services to The Claremont Colleges.

## **THE DEPARTMENT OF CAMPUS SAFETY**

The regular staff is supplemented by 9 Part time Campus Safety Officers and approximately 15 Reserve Campus Safety Officers, who work special assignments, perform crime prevention duties, and carry out a host of support functions for the department.

Campus Safety officers are unarmed and have no special or police powers. Their arrest powers are identical to those of a private person, as provided in the California Penal Code section 837. All full-time officers undergo an intensive eight to twelve- week field training program and successfully complete and receive certification for the following: guard registration, PR-24 baton, chemical mace, bicycle patrol training, first aid and CPR. Employees undergo continuous education and training to upgrade their skills. Campus Safety is not a police department but is responsible for law enforcement, security, and emergency response at the Colleges. The department also provides support services tailored to meet the needs of the Colleges including, high visibility patrols to prevent and detect crime, responding to suspicious activity and crime reports, as well as response to: medical emergencies, fire and intrusion alarms, traffic accidents, parking enforcement, and enforcement of college rules and regulations.

Campus Safety works closely and cooperatively with the City of Claremont Police Department. The police are notified immediately and respond to: crimes against persons, violent crimes, major felonies, crimes involving a known or identified suspect, all private persons arrests on campus, and are called when police presence and/or assistance is deemed appropriate. All crime reports initiated by Campus Safety are forwarded to the police for investigation and mandated reporting as required by Uniform Crime Reporting Standards.

In addition, Campus Safety staff assists local fire/paramedic personnel as well as other local and county, state and federal law enforcement agencies when they respond to campus.

## **CRIME PREVENTION AND SECURITY RECOMMENDATIONS**

Our crime prevention strategies are based upon the dual concepts of eliminating or minimizing criminal activities whenever possible, and encouraging students and employees to be responsible for their own security and the security of others. The following is a list of ongoing crime prevention programs and projects:

- Security Alerts: prepared and distributed either selectively or throughout the campuses if circumstances are warranted.
- Timely Warnings: are issued as soon as the pertinent information is available for crimes that pose or may pose a serious or continuing threat to the campus community.
- Campus Watch: a community program designed to increase awareness and encourage immediate reporting of criminal and suspicious activity to Campus Safety.
- Operation Identification: the engraving of serial numbers on personal property and/or recording of items of value, is promoted and available free of charge.
- Crime Prevention Presentations: crime specific workshops presented to students and employees throughout the year.
- Escort Services: available through student-run escort programs and Campus Safety.
- Exterior and Interior Emergency Telephones: linked directly to Campus Safety located throughout the campuses.
- Immediate Emergency Repairs: done on inoperative or malfunctioning exterior doors, as well as individual dorm doors, windows and locks.

- **Electronic Alarm Systems:** a computerized alarm monitoring system connected directly to Campus Safety monitors a comprehensive network of intrusion and fire alarms campus-wide.
- **Facility Surveys:** checks of exterior lighting, doors, windows, hardware, and grounds are conducted by Campus Safety, Campus Maintenance /Facilities staff and Residential Life staff, upon request.

No crime prevention program can be effective without the cooperation, involvement, and personal support of students and employees. Awareness of one's environment and implementation of strategies to reduce or eliminate the opportunity for crime to occur is the best place to start. Within this framework, please use the following suggestions to help safeguard yourself and others:

- Exterior doors should never be propped open. A propped door puts everyone at risk.
- Dorm doors should be locked at all times even when leaving for a short time.
- Keys should be carried at all times and never loaned to others.
- Exercise good judgment when walking, jogging, or engaged in solitary activity, especially at night.
- Request escort service anytime by calling Campus Safety at extension 72000 or 621-8170; or, at night, use the student escort service
- Engrave, mark, and/or photograph your property and record serial numbers and property description.
- Consider not bringing expensive jewelry, valuable property, and important keepsakes to campus.
- Purses, backpacks, and other personal property should not be left unattended or unsecured in office buildings, libraries, and other common use areas.
- Parked cars should be locked at all times and valuables should be concealed.
- Become familiar with the location of emergency phones throughout the campuses and use them if you have an emergency or observe criminal or suspicious activity.
- **All crimes and suspicious activity on campus should be reported to Campus Safety immediately. If you are a victim of - or a witness to - a crime, we urge you to call the Campus Safety dispatcher at once, DIAL EXTENSION 72000 OR 621-8170, OR ACTIVATE ANY EMERGENCY PHONE on campus.**

It is most helpful to Campus Safety if you can provide your name, telephone number and location as well as the following information on any crime suspect: physical appearance, clothing, height, weight, coloring, approximate age, sex, scars, or other noticeable features (glasses, facial hair, etc.), and whether or not s/he displayed or threatened a weapon. If a vehicle is involved, please note: last direction of travel, license plate number and state, make and model of the vehicle, color and body type, and other identifying marks (rust, dents, etc.).

You can also report crimes and suspicious activity directly to the police by dialing 9-9-1-1 from a campus phone. You must dial '9' first to get an outside line, then dial 9-1-1 to reach the 911 operator, be prepared to provide THE EXACT BUILDING ADDRESS OF YOUR LOCATION. Police and Fire Departments are only able to respond to building addresses, not building names. If you call 911 from a non-campus phone (cell, etc.), you must give your exact location/building address for a timely response.

**Claremont University Consortium (CUC)** is very concerned about the safety and security of all students, employees and visitors, and is committed to providing a safe and secure environment.

The services provided by the various departments in the CUC system are student focused, and include: the libraries, the counseling center, student health services, Health Education Outreach, the Office of Black Student Affairs, the Office of Chicano/Latino Student Affairs, the Chaplaincy, and Campus Safety; as well as business-directed, such as: Financial Services, Human Resources, Central Facilities Services, Huntley Bookstore, Risk Management and Employee Benefits.

### **EMERGENCY NOTIFICATION/TIMELY WARNING POLICY**

Claremont University Consortium and The Claremont Colleges subscribe to the Connect-ED emergency notification system. All members of the Claremont Colleges/Claremont University Consortium community are encouraged to enroll their preferred emergency notification devices. If an event at The College community or the surrounding neighborhood impacts the immediate safety and well-being of the college community, the Director of Campus Safety or sanctioned delegate will send an emergency notification to all staff, faculty and students as soon as information is confirmed and deemed reliable. CUC employees will be notified of other, less urgent security concerns via other notifications from their Department Director or CUC's senior management.

A number of precautionary measures are in place in and around the facilities that are intended to enhance the quality of life and the safety and security of the work environment, such as:

- Security alerts are forwarded by Campus Safety to department administrators in a timely manner for distribution to employees to inform them of crimes or suspected crimes that may threaten the safety of members of the community.
- CUC staff enrolled in at least one means of instant notification through the Connect-ED emergency notification system can be sent emergency messages utilizing email, cell phones, landline phones and text messaging.
- Escort services are available through Campus Safety throughout the year.
- Campus Watch is promoted and signs are posted throughout the campus. In addition, signs are posted on electric vehicles used by CUC.
- Custodial, Grounds and Facilities services staff attend an annual crime prevention presentation by the Campus Safety Department.
- Library Service Officers (LSOs) are on duty in Honnold Mudd Library during designated hours. LSOs monitor problem areas, report suspicious activity, and assist in securing and locking the library at closing time.
- Regular in-service library security training is conducted for the staff.
- A monthly crime/incident report summarizing crimes and suspicious activity at The Claremont Colleges is distributed and available at Campus Safety's website at [www.cuc.claremont.edu/cs](http://www.cuc.claremont.edu/cs).

### **SECURITY CONSIDERATIONS USED IN MAINTENANCE OF CAMPUS FACILITIES**

Included within this prohibition are lawful controlled substances which have been illegally or improperly obtained. This policy does not prohibit the possession of prescribed legal drugs where such activity is a necessary part of an employee's assigned duties.

Employees are also prohibited from having any such illegal or unauthorized controlled substance in their system while at work, and from having excessive amounts of otherwise lawful controlled substance in their system. This policy does not apply to the authorized dispensation, distribution or possession of prescribed legal drugs where such activity is a necessary part of an employee's assigned duties.

In accordance with local, state, and federal law, the Colleges have adopted and implemented the following policy to prevent the unlawful possession, use or distribution of illicit drugs and alcohol on college property or as part of its activities:

- b) The sale or furnishing of an alcoholic beverage to anyone under the age of 21 is prohibited.
- c) The sale of alcoholic beverages on campus is prohibited.
- d) Advertising of alcoholic beverages is prohibited.
- e) Alcoholic beverages may be served or consumed only at private events limited to members of the college community and their invited guests (all of legal age).
- f) Alcoholic beverages may not be served or consumed in public or at events open to the public.
- g) The possession, use, cultivation, sale, or transfer of illicit drugs is prohibited.
- h) The possession of drug paraphernalia, including pipes, needles, or other contrivances used in the consumption of illicit drugs, is prohibited.

### **Sanctions**

Violation of this policy or any of its provisions may result in disciplinary action, up to and including immediate termination of employment.

### **Employee Assistance**

CUC expects employees who suspect they have an alcohol or drug problem to seek treatment. CUC will help employees who abuse alcohol or drugs by providing a referral to an appropriate professional organization. However, it is the responsibility of the employee to seek and accept assistance before drug and alcohol problems lead to disciplinary action, including termination. Failure to enter, remain or successfully complete a prescribed treatment program may result in termination of employment. Confidentiality of records and information will be maintained in accordance with all local, state and federal laws. The Office of Human Resources office will be the official repository for all drug and all drug/alcohol test results and information.

### **EXPLOSIVES, FIREARMS, AND OTHER WEAPONS POLICY**

Firearms are prohibited at The Claremont Colleges, except where authorized by law. The use of firearms in Claremont, Los Angeles County, or in the western portion of San Bernardino County is prohibited by law.

The State law, as well as Claremont University Consortium policy, prohibits bringing firecrackers or explosive materials of any kind onto any part of the campus or into the buildings. This includes combustibles in containers such as gasoline cans. Furthermore, gasoline-powered scooters and motorcycles cannot be stored in individual rooms or elsewhere in residence halls at any time. Vehicles found to be stored in unauthorized areas will be towed and stored at the owner's expense.

Illegal knives, switchblades, and other blades which violate California State Law are prohibited.

BB guns, pellet rifles, and other weapons which propel projectiles are also prohibited and are not allowed on campus.

## **WHAT YOU NEED TO KNOW ABOUT SEXUAL ASSAULT/OFFENSES**

It is the policy of Claremont University Consortium (CUC) to ensure, to the fullest extent possible, that any employee who is a victim of sexual assault/offense committed on the campus shall receive treatment, support and information; and to encourage victims of sexual assault/offense to make the full use of these provisions.

CUC will not tolerate sexual assault/offense, whether directed at males or females or whether committed by a stranger or an acquaintance. We have an obligation to address the needs of the sexual assault victim as well as a responsibility to protect the other members of the campus community from potential sexual assaults/offenses. Referrals for treatment will be made and ongoing support will be offered to victims. To protect the privacy of the victim, confidentiality regarding the name of the victim will be maintained.

CUC will make the college community aware of rapes or other sexual assaults/offenses by strangers on campus, and will judge the need of reporting acquaintance rapes to the community on a case-by-case basis. In the case of a stranger rape, the location of the incident will be made known in order to determine if the area itself is hazardous and needs attention by Central Facilities Services or increased security patrols. If, for reasons of safety, the campus community is to be notified of the occurrence of the assault, the victim will be informed prior to such notification.

## **WHAT SHOULD YOU DO IF A SEX OFFENSE OCCURS?**

**Make Sure You Are Out Of Danger.** If you need immediate assistance, call Campus Safety right away at extension 72000, or contact the CUC Human Resources Representative at extension 79603. You also have the option of calling the police directly by dialing 9-9-1-1 from a campus phone. Assistance is also available 24 hours a day by calling the local Rape Crisis Hotline at (909) 626-4357.

**Get Proper Medical Attention.** For physical injuries and sexually transmitted diseases even though you may not think you need it. Do not shower, bathe, douche or brush your teeth. Medical evidence can be collected. Collecting evidence is the victim's choice and does not mean that he/she must pursue criminal charges; it merely leaves the option open. NOTE: The hospital has an obligation to inform the police and the police will interview the victim at the hospital. It is the victim's choice as to whether or not a police report is taken and criminal charges are pursued against the assailant.

There are several treatment options:

1) Pomona Valley Community Hospital Medical Center Emergency Room at 1798 North Garey Avenue in Pomona, (909) 865-9600.

2) San Antonio Hospital Emergency Room, 999 San Bernardino Road in Upland, (909) 920-4747.

3) Planned Parenthood has a health care provider that can test for pregnancy and sexually transmitted diseases, and is located at 1550 in Pomona, (909) 620-4268.

4) The victim can be treated and tested by his/her own health care provider.

5) Eligible employees may wish to contact the Employee Assistance Plan (EAP) which is available through the benefits program by calling Psychological Systems at 1 (800) 992-8448 (a clinical coordinator will assist you). The CUC Human Resources Representative can also assist with this option.

Individuals who engage in such behavior are subject to discipline, up to and including termination. Retaliation against a person who reports, complains about, or participates in the investigation of sexual harassment is also prohibited.

Harassment on the basis of gender is a violation of Federal and State Laws and the policies of each of The Claremont Colleges and CUC. Sexual harassment is defined as unwelcome unsolicited verbal, physical or sexual conduct: (1) where submission is made an explicit or implicit term or condition of an individual's employment, status or progress; (2) where submission or rejection of such conduct is used as the basis for making employment or other decisions affecting the individual; or (3) which has the purpose or effect of substantially interfering with the individual's job or other performance or which creates an intimidating, hostile or offensive work or educational environment.

An individual may feel uncomfortable about a sexual advance and may begin to feel embarrassed, guilty, trapped or even frightened that a job, reputation, grade, or diploma is in jeopardy. If possible, an individual who experiences sexual harassment should make it clear to the harasser that such behavior is offensive, unwelcome and contrary to the policies of CUC and The Claremont Colleges.

Whether or not the individual can confront the harasser, such behavior should be brought immediately to the attention of the appropriate official listed below:

- Immediate Supervisor;
- Director of the Department in which the accused harasser works;
- Director Human Resources (909-607-1834);
- Dean of Students of the home college, if victim is a student.
