SUMMARY OF THE JEANNE CLERY DISCLOSURE OF CAMPUS SECURITY POLICY AND CAMPUS CRIME STATISTICS ACT

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act is a federal law that requires all public and private institutions of postsecondary education participating in federal student aid programs, to disclose certain timely and annual information about campus crime and security policies.

Schools must annually publish a report by October 1st that contains three years of on/off campus crime statistics. These statistics must be gathered from campus police or security, local law enforcement, and other school officials who have significant responsibility for campus activities. Professional mental health and religious counselors are exempt from reporting requirements. The report must also contain certain policy statements, including Sexual Assault policies - which assure basic victims' rights and outline procedures to be followed in Sex Offenses; Weapon, Alcohol and Drug Policies.

Crimes are reported in the following seven major categories:

- 1. Murder; Negligent and Non-negligent Manslaughter***
- 2. Sex Offenses, including Rapes, Forcible and Non-forcible Sex Offenses***
- 3. Robbery***
- 4. Aggravated Assault***
- 5. Burglary***
- 6. Motor Vehicle Theft***
- 7. Arson***

We must also disclose, by geographic location and by category of prejudice, any of the aforementioned offenses, and any other crimes involving bodily injury reported to local police agencies or to a campus security authority, that manifests evidence that the victim was intentionally selected because of the perpetrator's bias. These categories of bias are: race, gender, religion, sexual orientation, ethnicity, national origin and disability.

Schools are also required to report the following three types of incidents if they result in either an arrest or disciplinary referral:

- 1. Liquor Law Violations***
- 2. Drug Law Violations***
- 3. Illegal Weapons Possession***

Campus crime statistics must be reported by location: **On campus** (owned, contiguous, educational or student-used); **In Dormitories or other student residences** (within the on-campus area); **Non-campus buildings or property** (frats, non-contiguous owned and student-used); and **Public Property** (streets, sidewalks, lots adjacent to campus).

Schools are also required to provide timely warnings/notices of crimes that pose an on-going threat to students and employees. In addition, a daily log, which records all crimes reported to the campus police or security department must be maintained and open to public inspection during normal business hours. Limited information maybe withheld to protect victim confidentiality.

The annual report is to be made available to all currently enrolled students and all employees by October 1 each year. The report must also be provided to any prospective student or prospective employee upon request. The report must be distributed to all current students and employees by one of the following: directly by publications and mailings; by the US Postal Service; by campus mail; email or a combination of these methods. Posting the Annual Campus Safety Report on an Internet or Intranet Web site is also permissible as long as the required recipients are notified and provided the exact (URL) Internet or Intranet web site at which the report is posted.

The Claremont Colleges are a unique consortium of seven independent institutions including: Pomona College, Claremont McKenna College, Pitzer College, Harvey Mudd College, Scripps College, Keck Graduate Institute and the Claremont Graduate University. Each has its own campus, administration, student body, faculty, trustees, curricular emphasis, and distinctive style and mission. They all, however, share the resources and services of a central coordinating body known as the Claremont University Consortium (CUC). Under the auspices of CUC, Campus Safety and 17 other organizations provide support and services to The Claremont Colleges.

The Campus Safety Department is staffed by 13 full-time uniformed Campus Safety Officers, 6 Dispatchers, a Part Time Information Technology Specialist, an Administrative Assistant and a Director. The regular staff is supplemented by 9 Part time Campus Safety Officers and approximately 15 Reserve Campus Safety Officers, who work special assignments, perform crime prevention duties, and carry out a host of support functions for the department.

Campus Safety officers are unarmed and have no special or police powers. Their arrest powers are identical to those of a private person, as provided in the California Penal Code section 837. All full-time officers undergo an intensive eight to twelve- week field training program and successfully complete and receive certification for the following: guard registration, PR-24 baton, chemical mace, bicycle patrol training, first aid and CPR. Employees undergo continuous education and training to upgrade their skills. Campus Safety is not a police department but is responsible for law enforcement, security, and emergency response at the Colleges. The department also provides support services tailored to meet the needs of the Colleges including, high visibility patrols to prevent and detect crime, responding to suspicious activity and crime reports, as well as response to: medical emergencies, fire and intrusion alarms, traffic accidents, parking enforcement, and enforcement of college rules and regulations.

Campus Safety works closely and cooperatively with the City of Claremont Police Department. The police are notified immediately and respond to: crimes against persons, violent crimes, major felonies, crimes involving a known or identified suspect, all private persons arrests on campus, and are called when police presence and/or assistance is deemed appropriate. All crime reports initiated by Campus Safety are forwarded to the police for investigation and mandated reporting as required by Uniform Crime Reporting Standards.

In addition, Campus Safety staff assist local fire/paramedic personnel as well as other local and county, state and federal law enforcement agencies when they respond to campus.

CRIME PREVENTION AND SECURITY RECOMMENDATIONS

Our crime prevention strategies are based upon the dual concepts of eliminating or minimizing criminal activities whenever possible, and encouraging students and employees to be responsible for their own security and the security of others. The following is a list of ongoing crime prevention programs and projects:

- ***Security Alerts: prepared and distributed either selectively or throughout the campuses if circumstances are warranted.***
- ***Timely Warnings: are issued as soon as the pertinent information is available for crimes that pose or may pose a serious or continuing threat to the campus community.***
- ***Campus Watch: a community program designed to increase awareness and encourage immediate reporting of criminal and suspicious activity to Campus Safety.***
- ***Operation Identification: the engraving of serial numbers on personal property and/or recording of items of value, is promoted and available free of charge.***
- ***Crime Prevention Presentations: crime specific workshops presented to students and employees throughout the year.***
- ***Escort Services: available through student-run escort programs and Campus Safety.***
- ***Exterior and Interior Emergency Telephones: linked directly to Campus Safety located throughout the campuses.***
- ***Immediate Emergency Repairs: done on inoperative or malfunctioning exterior doors, as well as individual dorm doors, windows and locks.***

- **Electronic Alarm Systems:** a computerized alarm monitoring system connected directly to Campus Safety monitors a comprehensive network of intrusion and fire alarms campus-wide.
- **Facility Surveys:** checks of exterior lighting, doors, windows, hardware, and grounds are conducted by Campus Safety, Campus Maintenance /Facilities staff and Residential Life staff, upon request.

No crime prevention program can be effective without the cooperation, involvement, and personal support of students and employees. Awareness of one's environment and implementation of strategies to reduce or eliminate the opportunity for crime to occur is the best place to start.

Please use the following suggestions to help safeguard yourself and others:

- **Exterior doors should never be propped open. A propped door puts everyone at risk.**
- **Dorm doors should be locked at all times even when leaving for a short time.**
- **Keys should be carried at all times and never loaned to others.**
- **Exercise good judgment when walking, jogging, or engaged in solitary activity, especially at night.**
- **Request escort service anytime by calling Campus Safety at extension 72000 or 621-8170; or, at night, use the student escort service**
- **Engrave, mark, and/or photograph your property and record serial numbers and property description.**
- **Consider not bringing expensive jewelry, valuable property, and important keepsakes to campus.**
- **Purses, backpacks, and other personal property should not be left unattended or unsecured in office buildings, libraries, and other common use areas.**
- **Parked cars should be locked at all times and valuables should be concealed.**
- **Become familiar with the location of emergency phones throughout the campuses and use them if you have an emergency or observe criminal or suspicious activity.**
- **All crimes and suspicious persons should be reported to Campus Safety immediately. If you are a victim of - or a witness to - a crime, we urge you to call the Campus Safety dispatcher at once, DIAL EXTENSION 72000 OR 621-8170, OR ACTIVATE ANY EMERGENCY PHONE on campus.**

It is most helpful to Campus Safety if you can provide your name, telephone number and location as well as the following information on any crime suspect: physical appearance, clothing, height, weight, coloring, approximate age, sex, scars, or other noticeable features (glasses, facial hair, etc.), and whether or not s/he displayed or threatened a weapon. If a vehicle is involved, please note: last direction of travel, license plate number and state, make and model of the vehicle, color and body type, and other identifying marks (rust, dents, etc.).

- ***You can also report crimes and suspicious activity directly to the police by dialing 9-9-1-1 from a campus phone. You must dial '9' first to get an outside line, then dial 9-1-1 to reach the 911 operator, be prepared to provide THE EXACT BUILDING ADDRESS OF YOUR LOCATION. Police and Fire Departments are only able to respond to building addresses, not building names. If you call 911 from a non-campus phone (cell, etc.), you must give your exact location/building address for a timely response.***

Keck Graduate Institute (KGI) is a non-residential campus and is committed to providing a safe and secure environment for all students, employees and visitors. In addition to the services provided by Campus Safety, a number of precautionary measures are in place that are intended to enhance the quality of campus life and to help ensure the safety and security of the community such as:

- Security Alerts are distributed campus-wide in a timely manner to inform the community of crimes or suspected crimes which may threaten the safety of KGI students and employees.
- Escorts are provided by Campus Safety personnel year round upon request.
- A special safety/security orientation is provided to new students at the beginning of each academic year.

SECURITY CONSIDERATIONS USED IN MAINTENANCE OF CAMPUS FACILITIES

- Fire, intrusion, and critical mechanical alarms monitored by Campus Safety are installed on all major facilities.
- Regular preventive maintenance and testing is done on all alarm systems.
- Knox (lock) boxes are installed at each campus building, resulting in better key control and improved emergency response.
- Academic and administrative buildings are checked and locked nightly.
- Street lights are inspected regularly. Upgrades or immediate repairs and/or replacements are carried out. Overall, lighting is reviewed annually by representatives of the Dean of Students Office, Campus Facilities and Campus Safety.
- Trees and shrubbery located near buildings and walkways are trimmed on a regular basis.
- Exterior lighting around the campus has been enhanced.
- Bike racks are located on the south side at both the east and west entrance to the 535 Building and the north side of the 517 Building.
- Dedicated Campus Safety Officers are assigned to patrol the campus and respond to calls for service during late afternoon to early morning hours.

Timely Notification Policy

In the event of an incident at The Claremont Colleges or the surrounding community that, in the judgment of designated CUC staff, poses an immediate threat to the safety of students, faculty and staff, the Director of Campus Safety or her designee is authorized by the Council of the Claremont Colleges to use all available communication tools to broadcast an urgent message to the students, faculty and staff of The Claremont Colleges. Examples of “immediate threat” are:

Active shooter, location known or unknown (e.g., armed assault, armed robbery, sniper, etc.)

Reported suspect with lethal weapon at large

CPD, Governmental Agencies, Public Safety Agencies advise campus-wide notification

Terrorist threat using explosives, chemicals, liquid gas or biological agents

Catastrophic natural disaster affecting all The Claremont Colleges (e.g., earthquake, fire, etc.)

Catastrophic accidental incident posing a threat to all The Claremont Colleges (e.g., aircraft crash, accidents where lethal substances are released, etc.)

It is left to the judgment of the Director of Campus Safety or her designee whether or not to seek consultation with the CUC Chief Executive Officer or the Chief Administrative Officer prior to sending the message.

ALCOHOL AND DRUG POLICY

KGI is concerned with preventing the use of illicit drugs and the abuse of alcohol and increasing student sensitivity to the ways in which substance abuse interferes with the rights and privileges of others.

In accordance with federal and state laws, the unlawful possession, use, or distribution of illicit drugs and alcohol by students on Keck Graduate Institute property or as part of any Keck Graduate Institute activity is a violation of not only the law but of KGI's regulations. KGI has adopted and implemented the following policy:

- a) The use of alcoholic beverages by persons under the age of 21 is prohibited.
- b) The sale or furnishing of an alcoholic beverage to anyone under the age of 21 is prohibited.
- c) The sale of alcoholic beverages on campus is prohibited.
- d) Advertising of alcoholic beverages is prohibited.
- e) Alcoholic beverages may be served or consumed only at private events limited to members of the college community and their invited guests (all of legal age).
- f) Alcoholic beverages may not be served or consumed in public or at events open to the public.
- g) The possession, use, cultivation, sale, or transfer of illicit drugs is prohibited.
- h) The possession of drug paraphernalia, including pipes, needles, or other contrivances used in the consumption of illicit drugs, is prohibited.

SANCTIONS

Keck Graduate Institute will impose sanctions on individuals and organizations which violate this policy. The sanctions will be consistently enforced and penalties will depend on the severity of the offense. Violations will be dealt with by the Office of Student Services. Sanctions for a violation may include, but are not limited to: verbal and written warnings, the completion of an appropriate rehabilitation program, and suspension for the repeat offender. A social event may be closed immediately or other intervention may be taken to correct a violation. Disciplinary action under the KGI Code of Conduct may be invoked entirely apart from any civil or criminal penalties that a student might incur.

More detailed information about each institution's policies, guidelines, and sanctions may be found in the policy or student conduct section of that college's Student Handbook.

ASSISTANCE FOR ALCOHOLA ABUSE and/or DRUG USE PROBLEMS

Keck Graduate Institute/The Claremont Colleges are committed to education and counseling as the primary focus of their substance abuse programs. SEXUAL ASSAULT POLICY

It is the policy of Keck Graduate Institute to ensure, to the fullest extent possible, that any student, faculty or staff member who is a victim of sexual assault committed on the campus shall receive treatment, support and information; and to encourage victims of sexual assault to make full use of these provisions.

KGI will not tolerate sexual assault, whether directed at males or females or whether committed by a stranger or an acquaintance. KGI has an obligation to address the needs of the sexual assault victim as well as a responsibility to protect the other members of the campus community from potential sexual assaults. Referrals for treatment will be made and on-going support will be offered to victims. To protect the privacy of the victim, confidentiality regarding the name of the victim will be maintained.

KGI will make the KGI community aware of any rapes or other sexual assaults by strangers on campus, and will judge the need for reporting acquaintance rapes to the community on a case-by-case basis. The Institute is legally obligated to report to the federal government the number of sexual assaults that occur on campus each year. In the case of a stranger rape, the location of the incident will be made known in order to determine if the area itself is hazardous and needs attention by the Facilities Department or increased security patrols. If, for reasons of safety, the campus community is to be notified of the occurrence of the assault, the victim will be informed prior to such notification. Members of the KGI community will be notified of assaults or rapes that occur on other Claremont Colleges campuses if that information is received by the Dean of Admissions & Student Services or the Vice President for Administration.

The victim or the campus individual first notified should immediately contact the appropriate representative listed below:

Sue Friedman
Director of Student Services
535 Watson, (909) 607-0121

WHAT SHOULD YOU DO IF A SEX OFFENSE OCCURS?

MAKE SURE YOU ARE OUT OF DANGER. If you need immediate assistance, call Campus Safety right away at extension 7-2000, or contact the Vice President for Administration at extension 7-7853, or the Dean of Admissions & Student Services at 7-8208 or 7-8590. You also have the option of calling the police directly by dialing 9-9-1-1 from a campus phone. Assistance is also available 24 hours a day by calling the local Project Sister Rape Crisis Hotline at (909) 626-4357.

GET PROPER MEDICAL ATTENTION for physical injuries and sexually transmitted diseases even though you may not think you need it. Do not shower, bathe, douche or brush your teeth. Medical evidence can be collected. Collecting evidence is the victim's choice and does not mean that he/she must pursue criminal charges, it merely leaves the option open. NOTE: The hospital has an obligation to inform the police and the police will interview the victim at the hospital. It is the victim's choice as to whether or not a police report is taken and criminal charges are pursued against the assailant.

There are several treatment options:

1. Pomona Valley Community Hospital Medical Center Emergency Room at 1798 North Garey Avenue in Pomona, (909) 865-9600.
2. San Antonio Hospital Emergency Room, 999 San Bernardino Road in Upland, (909) 920-4747.
3. Planned Parenthood has a health care provider that can test for pregnancy and sexually transmitted diseases, and is located at 1550 North Garey Avenue in Pomona. The clinic's telephone is (909) 620-4290; the appointment line is (909) 620-4268.
4. The victim can be treated and tested by his/her own health care provider.
5. Eligible employees may wish to contact the Employee Assistance Plan (EAP) which is available through the benefits program by calling Pacific Care Behavioral Health at 1 (800) 234-5465 (a clinical coordinator will assist you). The KGI Human Resources Representative can also assist with this option. Psychological counseling for students is available at Monsour Counseling & Psychological Services, phone: (909) 621-8202.

What Kind of Help is Available?

The KGI Human Resources Representative or the KGI Student Services Representative will assist the victim with information, transportation, resources/referrals, and information regarding criminal prosecution, civil prosecution, the KGI disciplinary process and the availability of mediation for the victim and the alleged assailant if they both are college employees and/or students. The Human Resources Representative or the Student Services Representative will provide information about the status/results of any disciplinary hearings connected with the assault and the results of any such actions to the victim, if the alleged assailant is a member of the KGI/College community.

NOTE: If the victim wishes to remain anonymous, the Human Resources Representative or the Student Services Representative will serve as a consultant to the campus individual who is assisting the victim.

Sexual assault, rape and acquaintance rape prevention presentations, workshops and literature are available through the Health Education Outreach Center (HEO), extension 73602, and Campus Safety, extension 72000.

Other available resources include:

- Project Sister - local rape crisis center & 24 hour crisis hotlines, (909) 626-4357.
- Student Health Services - on campus, available during academic year, extension 18222.
- Monsour Counseling & Psychological Services - on campus, available during academic year, extension 18202.
- Claremont Police Department - 9-9-1-1 or (909) 399-5411.

Sexual conduct which takes place on the campuses of the Claremont Colleges, or which involves student, faculty member, or staff member, must be consensual. Sexual offenses will not be tolerated. It is common to all of the Claremont Colleges that a state of intoxication is not a justification for any conduct violation.

Inter-campus Sexual Assault Policy

The definitions, rights, and obligations outlined herein pertain to this statement only, and are not intended to diminish, modify, or abrogate definitions, rights, or obligations set forth in the sexual assault policies of the individual colleges in Claremont.

Definitions

1. "Sexual assault" is defined by the California Education Code, Section 94385, as including rape, forced sodomy, forced oral copulation, rape by a foreign object, sexual battery, or threat of sexual assault.
2. Implicit in sexual assault is a lack of consent. "Consent" is defined as agreement that an individual is willing to engage in an activity. At any point, an individual may indicate in a verbal or nonverbal manner that he or she does not want sexual contact to go any further. An individual has the right to say that sexual conduct should stop at any time regardless of how much sexual contact has already occurred, even if he or she had agreed earlier to more sexual contact. Sexual interaction with individuals who are unable to give consent because of alcohol, controlled substances, or unconsciousness is sexual interaction without consent.
3. In this policy statement the phrase "dean of students" will refer to the dean of students or a designee.

Reporting Procedures

1. Charges which involve sexual assault must be filed within twelve months of an alleged incident.
2. Students who suspect that a violation of this sexual offense statement may have occurred should contact a member of the dean of students' staff at the college where they are enrolled.
3. Students are strongly encouraged to report suspected violations as soon as possible after they have occurred. If alleged criminal conduct is involved, students are strongly encouraged to file charges with local law enforcement officials. Students who wish to file a formal complaint may request assistance from their dean of students.
4. Students who wish to file criminal charges should not shower, change clothes, or douche in order to preserve evidence. The Pomona Valley Community Hospital Emergency Room is equipped with rape kits for the collection of physical evidence. While not required, physical evidence can strengthen a case in both criminal and campus disciplinary proceedings.
5. The dean of students will provide victims with information about criminal prosecution, civil prosecution, college disciplinary procedures, and informal resolution options. Information about possible changes in academic or living arrangements may also be obtained from the dean.
6. Students who wish to have possible misconduct reviewed by a college judiciary board must prepare a written complaint. Assistance in preparing a complaint may be obtained from the dean of students. Discussions with the dean will be treated confidentially, insofar as the law allows. The Claremont Colleges have an obligation to report statistics on rape or sexual assault committed on campus.

Inter-campus Procedures

1. The dean of students at the college where the complainant is enrolled will arrange an appointment in a timely manner with the dean of students at the college where the accused is enrolled.
2. The dean of students at the institution where an accused student is enrolled will investigate alleged misconduct with all due haste.

3. The dean of students will notify the president if the accused is a college employee. The college where the accused is employed will investigate, and if warranted, pursue disciplinary action in accordance with institutional procedures, and the remedy imposed will be commensurate with the violation.
4. Different procedures exist for the review of student, faculty, or staff conduct. The dean of students will explain which procedures apply. Informal resolution may be an option with the consent of both the complainant and respondent.
5. A case will be referred to the appropriate hearing body if informal resolution is pursued and a mutually satisfactory conclusion is not reached, or if the conditions of informal resolution are not honored.

Hearing Procedures

1. Members of the Claremont Colleges community who are charged with sexual offenses are subject to the jurisdiction of the institution where they are enrolled or employed.
2. Students (both complainants and respondents) who are parties to college judiciary hearings are entitled to be accompanied by advisors. Advisors may be students, faculty members, or staff members. The number of advisors present at any hearing may not exceed the number allowed by the procedures of the college where the case is being heard. Legal counsel will be allowed to serve as advisors only if the campus procedures where the case is heard so allow.
3. The hearing officer will report the disposition of the case to the respondent, the complainant, and other appropriate college officials no later than three days following the completion of the hearing.

Evidence

Information regarding prior sexual conduct of either the complainant or the respondent will not be considered relevant in a disciplinary hearing. The manner in which a complainant was dressed will not be admitted.

Sanctions

Members of the Claremont community found guilty of violating college policies on sexual assault may be subject to penalties up to and including: expulsion for students and termination for employees.

Educational Programs

The Claremont Colleges provide ongoing educational programs for students, faculty, and staff in order to promote awareness about rape, sexual harassment, and other sexual offenses. These programs are designed to heighten community awareness and prevent sexual offenses. Programs may vary from college to college.

In order to promote a safe campus environment, individuals who may be in violation of college policies on sexual offenses should be informed about their conduct. They may not be aware that their behavior is sexually offensive, threatening, or hurtful; education may remedy their behavior.

Resources that provide assistance to survivors of sexual offenses are available on each campus, through the Central Services, and from the community. They include:

THE CAMPUS SEX CRIMES PREVENTION ACT (SECTION 1601 OF PUBLIC LAW 106-386)

This federal law enacted on October 28, 2002 amends the Jeanne Clery Disclosure Campus Security Policy and Campus Crime Statistics Act to require institutions of higher education to issue a statement, in addition to other disclosures required under that Act, advising the campus community where law enforcement agency information provided by the State concerning registered sex offenders may be obtained.

How to obtain Sex Offender Information

The Claremont Colleges campus community may obtain sex offender information in one of two ways:

- 1) ***Calling the Sex Offender Identification Line*** – this telephone service is for use by the public and organizations to identify serious sex offenders. The cost of calling the ***1-900-463-0400 line*** is a flat fee of \$10 for information on up to two individuals.

To use the 900 line, you must be at least 18 years of age, and you must know the following about the person you are checking:

- Name of person, AND one of the following:
- An exact address; or
- Exact date of birth; or
- California driver's license, identification or social security number

***Note: if you only know the person's name, you will need to provide a complete description of the person.**

- 2) ***A California Law, Assembly Bill 488, signed by the Governor on September 24, 2004, now provides the public with internet access to detailed information on registered sex offenders. This expanded access allows the public for the first time to use their personal computers to view information on sex offenders required to register with local law enforcement under California's Megan's Law. For internet access to registered sex offender information go to: www.meganslaw.ca.gov.***

EXPLOSIVES, FIREARMS, and OTHER WEAPONS POLICY

Possession, use or transportation of firearms or "deadly weapons" is prohibited on the property of Keck Graduate Institute. According to the California State Penal Code, Section 626.9 (b), any person who brings or possesses a firearm upon the grounds of, or within, a private institution is guilty of a felony which is punishable by imprisonment in the state prison for one, two or three years. In addition, the use of firearms in Claremont, Los Angeles County, or in the western portion of San Bernardino County is prohibited by law.

The State law, as well as Keck Graduate Institute policy, prohibits bringing firecrackers or explosive materials of any kind onto any part of the campus or into the buildings. This includes combustibles in containers such as gasoline cans.

Illegal knives, switchblades, and other blades which violate California State Law are prohibited. BB guns, pellet rifles, and other weapons which propel projectiles are also prohibited and are not allowed on campus.

Violation of this policy by any member of the community will result in confiscation of the weapon and may result in disciplinary action.

- Use a U-LOCK to secure your bicycle frame and wheels to a rack. Bikes locked with cables and small chains are frequently stolen.
- Report suspicious activity or loitering around bike racks. Thieves usually carry a hidden bolt cutter or other cutting tool.
- Do not impede free use of the handicapped ramps or other access points with bikes locked to handrails, etc.
- NEVER leave your bike unsecured – even for a "moment."
