Maximizing Your PPO Dental Plan

Did you know that Cigna rewards PPO members for receiving routine care such as cleanings, oral exams, and X-rays? See below for guidelines on increasing your annual maximum benefit amount through WellnessPlus.

How It Works...

1. Annual dollar maximum = $2,000/person
   Get your regular exams and cleanings (every 6 months)...

   ...starting year 2
   the annual dollar maximum increases by $200 = $2,200.
   Continue to get your regular exams and cleanings (every 6 months).
   If you got your regular exams and cleanings in the first AND second year...

   ...starting year 3
   the annual dollar maximum increases by ANOTHER $200 = $2,400.
   If you got your regular exams and cleanings in the first year, but not the second year, your annual dollar maximum would remain $2,000.
   If you got your regular exams and cleanings in the first, second, AND third year...

   ...starting year 4
   the annual dollar maximum increases by ANOTHER $200 = $2,600. You have reached the maximum WellnessPlus benefit*.
   If you got your regular exams and cleanings in the first and second year, your annual maximum = $2,400.
   If you never got your regular exams and cleanings, your annual dollar maximum would remain $2,000.

What about your dependents?

Your dependents can increase their annual dollar maximum each year in the same way you do. Each covered family member’s annual maximum is calculated separately, so if one family member always receives their scheduled preventive care, that member’s annual dollar maximum will increase by $200 for each following year until they reach the plan maximum of $2,600.

Other family members who do not receive regular preventive care, would remain at the $2,000 annual dollar maximum.

Cigna.com (800)244-6224

One more note regarding braces (orthodontia)...

The increased annual maximums DO NOT apply to orthodontia. Orthodontia benefits are covered at 50% after deductible with a $2,500 LIFETIME maximum benefit.

For additional assistance, contact Benefits Administration: benreps@cuc.claremont.edu or (909) 621-8151.

*WellnessPlus annual maximums apply to both in- and out-of-network services.
